**For the attention of those attending Mass at St. Augustine's Priory:**

The following is quoted from a lengthy email sent to the Sisters by a resident on Wynn Avenue. Kindly take notice so that the Sisters can live peacefully with their neighbours.

*'Can I respectfully ask that when your parishioners park their cars on the above road, (Wynn Avenue) they park with thoughtfulness and respect for the people that actually live on the roads in question.*

*On numerous occasions the driveway Llys Wyn on Wynn Avenue North has been obstructed by people just dumping their cars without a second thought to their surroundings.*

*I will contact the council/police if this continues.'*

The name and address of the sender is in the possession of the Sisters who have replied courteously, assuring the neighbour that their email is being taken seriously.
