Synodality and the Synodal Process

Thanks very much, everyone, for your considerations and views which will help shape the Church's future in years to come. Your returned questionnaires will shortly be forwarded to the Diocesan Team for processing. The collection box will still be at the back of church, however, for a few more days for any further returns, so if you're part way through your responses then do please take a bit more time to finish them off and return. Thanks again for taking the time to fill out the forms.
