At present the Parish are not always informed or aware when a parishioner becomes housebound or moved to a nursing/care home or hospital or even sick.

We realise that these people may still wish to receive the eucharist or have a visit from one of our housebound/care ministers. If you know of anyone in this position could you please let the parish office know via email: [office@stjosephsrcc.org.uk](mailto:office@stjosephsrcc.org.uk) or put the information slip (found at the back of the church on the porch table) into the collection basket or hand to a steward. Please can you put the contact details on your request so we can be assured to reach out to them. Thank you for your support and help.

Even today in the midst of an economic crisis food waste continues to be an environmental problem. With many tons of waste food going to landfill every week and yet so many needing support just to get the basics. It makes our initiative, The Zero Waste Fridge, housed at our community centre even more relevant. Supported by our local Coop Stores near date fresh produce, bread items, flowers, plants and sundry items there is an abundance for anyone to take. Take not waste. The more you take, the less goes to waste (landfills,

etc). We are open at the Community Centre - Thursdays - 1130-3pm and Fridays 9am - 12noon. Do you use the Community Centre for your group(s)? Please do come and see what is on offer during your visit.
