At present the Parish are not always informed or aware when a parishioner becomes housebound or moved to a nursing/care home or hospital or even sick.

We realise that these people may still wish to receive the eucharist or have a visit from one of our housebound/care ministers. If you know of anyone in this position could you please let the parish office know via email: office@stjosephsrcc.org.uk or put the information slip (found at the back of the church on the porch table) into the collection basket or hand to . Please can you put the contact details on your request so we can be assured to reach out to them.
