Our Blue Planet

The ancient Greeks believed everything was made up of four elements, Earth, Air, Fire and Water. Today we know things are bit more complicated but pondering on these powerful images can be used to help us grow spiritually, to explore our own inner landscape - our own "inner blue planet".

This largely silent retreat will consist of two talks each day with suggestions for further personal contemplation, as well as time to meet the leaders individually if you wish. Also available will be the change to explore the theme creatively if that appeals.

Open for day participants Tuesday 8th to Sunday 13th of August 9am to 5pm. Cooked lunch and beverages included, £25 per day.

To book a place or for more information please contact Sharon at: 01492 514223 enquiries@houseofprayer.org.uk
