Season of Creation

A Mighty River
Amos 5: 24

The Season of Creation is an urgent call to each of us to be aware and attentive to what is happening to nature and creation because of climate change. It is a vital and necessary reminder to all of us that God's love and presence extends to every part of creation. As God's Family, we are called, invited and challenged to do all we can to protect and preserve the wonder and beauty of all creation, not just for ourselves, but for also our grandchildren and the generations coming after us. **Is there one small action that I can take this week locally or in my home to protect and preserve creation?**
