**Deep Clean** - With a great sense of community, purpose and endeavour our deep-clean went really well last Tuesday, with tasks being found for all who were able to make it. Especial thanks to our youngsters who worked like busy bees to clean, scrape and polish. A big Thank-you to everyone for helping prepare the church and gardens for our Easter celebrations. Thank you, Julie, for directing us all in our various tasks and to June for the welcome refreshments and hot-cross buns that followed. Aside from the cleaning it was a couple of hours of dust, polish and hoovering, smiles and laughter and a really good opportunity to get to know each other as Parish. Thank you, everyone.

## Sound System

Thank you for letting us have your comments on the various microphones and speakers that have been on trial this last week. These have been really helpful to our sound engineers, Richard King Systems Ltd. who again visited us on Wednesday with two further microphones to trial. They appear to have made a significant improvement again, especially at the lectern (on the right hand side of the sanctuary as viewed from the pews) and for the audibility of Fr Vimal at the altar. Do keep letting us know, please, how the microphones and speakers are performing as we try to hone-in on which system best suits the church's needs.
