Palm Sunday and Easter Week 2024 Ministers of the Word & Eucharistic Ministers

Would all our **Ministers of the Word** at all weekend Masses let us know, please, what days you would or wouldn't be available to read during Palm Sunday and Easter Week? This will greatly help us plan for our Easter Celebrations. There's a list in the porch at the back of church. Please, could you fill in your name and the days when you will be available to read. Even if you see that someone else has already ticked a particular day, do the same as we need several readers for each day and it's helpful to have a reserve list, too. We'd be grateful if you could do this as soon as you can, please.

Would all **Eucharistic Ministers** let us know, please, when you'd be available to participate at Communion during the Palm Sunday and Holy Week services. There's a list on the notice board in the church porch. It would greatly help our planning for the Easter period if you would fill in your availability details as soon as possible, please.

Many thanks to you all. Shelagh Murray, Chairwoman, Liturgy Group

Parish Census

Thank you for your timely responses to the Parish Census. There are still forms available at the back of church if you've not been able to pick one up before now. We'd be grateful if you could look to returning your forms by 16th/17th March. Many thanks.

SOUND SYSTEM

Our sound system of microphones, speakers and controller has been inconsistent in how it operates for some time and is in need of upgrading. We've recently had a specialist sound engineering company in to assess the church's system and to make suggestions for improvements. Shortly, we'll be having a two-week trial of different microphones, speakers and controller to give better sound quality and consistency of sound reproduction. We'll be asking for your help in determining which of the different types of microphone being trialled suits you best as a congregations (by a show of hands). We'll also be assessing the hearing loop system to make sure it's compatible with any new sound system installed. We'll have dates for the trial before too long.

Service of Reconciliation
