New Parish Group

We are in the process of creating of a new parish group for married mothers, single mothers, women who are living with partners, and anyone new to motherhood or raising young families.

The aim of the group would be to provide a welcoming and supportive space where they can connect, share experiences, and support one another and empower each other through the joys and challenges of family life.

The group is still at an early stage and does not yet have a name. We are therefore inviting volunteers, ideas, and suggestions to help shape how this group might develop.

If you are interested or would like to be involved in any way, please contact the parish office and Fr. Vimal

RCIA
